JCC Mission Team 2023

Bucky, Lil, Beverly, Ricky, & Dr. K

After much prayer, planning, and preparation we sent a mission team of five to Uganda to represent Jamestown Christian Church! A faithful group were here with them in the church parking lot at 11:30 pm on Tuesday, November 7th to pray over their mission and to see them off. Darren delivered them safely to the Atlanta airport early the next morning for the second leg of their journey – a 14-hour flight from Atlanta to Addis Ababa (that's in Ethiopia!) They made their connection and were on their final 2-hour flight to Entebbe where they were able to get lodging to get some sleep after traveling for over 24 hours. Early the next morning they boarded ground transportation for the final 5-hour leg of their journey to minister to our friends in Christ. Several of us from JCC were following their flight path as they traveled anxiously awaiting news of their safe arrival. The 9-hour time difference created some challenges but we were very thankful for technological advances that did allow us to hear from them and receive pictures! While there they provided medical services, visited schools, and worshipped with their new friends. On Monday, November 20th Brandon and Kelly safely delivered them back to JCC. The bus rolled in less than 1/2 hour before Friendship Feast started! All glory to God!

disclaimer This rendition is from an office staff member who was very humbled by their experience. The team plans to share their experiences with the church on Wednesday, January 3rd. Mark your calendars now and be sure to make plans to attend that special service!
